

I have been asked about the dress code at OGE. I recommend all students wear a suit or equivalent the first day and then decide their comfort level from there - as the office is often business casual. However, I warn everyone that if there is a short notice meeting that requires professional attire and you are not dressed properly, you will not be asked to attend. (One former intern had to scramble to attend a Japanese delegation because he forgot his jacket and tie and the meeting was with the #2 in the Japanese Prime Minister's Cabinet.) So I strongly recommend that everyone always have the required business attire clothing items handy just in case.
